Dear Parent:

The Gentry High School Board of Education and Administration are sponsoring an ACT Prep Course for our high school students. There will be no cost to any student enrolled in the course; however, attendance is extremely important since the GHS Administration has graciously agreed to pay the expenses for each student who has enrolled in the course. Students will be receiving tutoring in the subject areas covered in the ACT, as well as test-taking and study skills. The classes will be on Monday evenings from 4:45 until 8:00 with a 15-minute break. Students will attend two sessions each evening. Each session will be 90 minutes in length. The first session will be the administration of an ACT pre-test. The last session will be the administration of an ACT post-test.

Included is a schedule of dates and subject areas that will be taught. We appreciate the commitment your student has given to attending this course. We need to know if any of the dates conflict with a previous commitment your student may have. Please indicate such conflicts below.

Thank you,

ACT Prep Course Committee
