

To the Parents of Gentry High School Students:

CAP

“WHAT DOES THIS MEAN TO GENTRY HIGH SCHOOL?”

Several years ago, Gentry High School implemented a Career Action Plan (CAP) Program for the students, parents, and faculty. We feel that it is very important that the students understand the connection between their current education and the expectations of higher education opportunities and workforce training.

In an effort to expand upon the CAP Program, we are offering our students the opportunity to meet with their CAP Advisors on a regular basis. It is our goal that these sessions be informative to our students and productive in guiding them in the decision-making process concerning their future education plans.

Please join us in the commitment to the CAP Program. This Program will only serve to strengthen the academic and career portions of your student’s school experience.

Thank you for your continued support!
