

REPORT TO THE PUBLIC

2009-2010 Arkansas Comprehensive School
Improvement Plan

MISSION

**Gentry Middle School will focus on the
improvement of students' academic
achievement in Literacy and Math**

PRIORITIES

- ❑ Mathematics
- ❑ Literacy
- ❑ Wellness
- ❑ Special Education

Math weakness

- Number and operations - ways of representing number relationships among numbers, number systems, and making reasonable estimates.
- Measurements – describe and compare mathematical and real-world objects and identify and use units, systems and processes of measurement.

Literacy weakness

- Content reading – a prose selection, usually nonfiction that provides informational content about people, places, events, or situations.

Wellness

- Reduce the BMI of our students
- Increase non-sedimentary life style

Special Education

- Reduce the areas of disproportion

Interventions

- ❑ Pioneer Explosion
- ❑ Weekly open response questions in all class
- ❑ More rigor in our teaching
- ❑ Wider differentiation in all classrooms
- ❑ Weekly grade level and subject team meetings to review progress
- ❑ Added technology
