Dear Dr. Elgart,

This letter is a follow-up to my last correspondence of March 13, 2009 in which I made known to you that the Gentry Public School District in Gentry, Arkansas, was interested in pursuing *AdvancED* District Accreditation. At a special meeting on April 23, 2009, the Gentry Board of Education unanimously approved our district seeking district, rather than school-by-school, accreditation.

Should you have any questions or require any additional materials, please contact me at my office telephone at 479-736-2253 or [drbarrett@gentrypioneers.com](mailto:drbarrett@gentrypioneers.com).

Sincerely,

Randy C. Barrett, Ed.D.  
Superintendent, Gentry Public Schools
