## Novice Teacher Program

Congratulations to our teachers who successfully completed the Novice Teacher Program in our district. There were 837 novice teachers who were mentored in the Northwest Arkansas Educational Cooperative area this year. We had 23 in the program in Gentry.

## ACT Aspire 2022

The Act Aspire Summative Assessment has been administered to Gentry students in grades 3 - 10, successfully. Make-up tests will continue in each building until the state window closes on May 20, 2022. A big shout-out to the staff and students from each campus for their performance during testing, and a huge thanks to the assessment team for their hard work and diligence in planning and preparing for a smooth administration.
