Morning, I wanted to check in and make sure that I understood it correctly that Mr.Bolinger was stepping down on the board and there would be an open position in this zone? If there is I would be interested.

Mrs. Metz,

Happy Summer Break! It sounds like you aren't getting to "break" much though!

I am reaching out because of the Board seat open for Zone 4. We live at 22233 Marion Lee Road which falls in that zone.

A little about myself...

I grew up in Tulsa, OK and am a transplant to this area. We have lived in Gentry for 22 years and am proud to call it my home. I am a mother of two Pioneers, one an alumni and one a current student. Taylor graduated in 2017 and loved her time at GHS. Olivia is an 8th grader and is very involved at the Middle School. She loves being a Pioneer and representing her alma mater on the field, court and class room. Their dad, step dad and I are very proud of them and the teachers and staff for helping us raise them!

For 19 years I have managed multi-story medical facilities in Bentonville, Tulsa and am adding a facility in Omaha, NE to my portfolio this coming week. I over see the day to day operations of the property, as well as tenant relations and leasing.

My husband and I own and operate a parking lot maintenance, janitorial, small maintenance, power washing business. We currently have 6 employees as well as Taylor and her husband, Sky Crowell. We love taking on projects and working as a family.

Twelve years ago we started a travel softball organization, Legends Fastpitch, to give girls in NWA an avenue to play at the next level. We currently have 12 teams ranging from 8U to 18U. We offer a 5,000 sq. ft. indoor facility for year round training and practice opportunities. We have been successful in securing college scholarship offers for every player wanting to play after they finish high school.

In our spare time, we host fastpitch softball tournaments in order to bring more exposure for our NWA talent. We have an amazing community and talent pool here in NWA that has been greatly overlooked for far too long.

It would be an honor to be considered for the open Board seat.

Thank you for your time and consideration.

Thank you Mrs. Metz!

This has been something my heart has been leading me to do for a long time.

The GPS system has meant a lot to our family with my husband and both daughters alma mater.
