Meeting called to order by Tonya Sweeten at 3:34 pm motion was made by Mrs. Groomer and seconded by Ms. Carr

There was no old business to discuss.

It was noted that any extensions in the school contract should be brought to the PPC representatives of the respective schools by Oct 29th to discuss in the November meeting. Tonya will send an email to all staff to inform them of this.

New Business

GHS: It was asked if 2 of the 10 professional development days could be work days in the classroom. Mrs. Groomer stated that the district does give 12 hours to teachers for working in classrooms and on curriculum each year.

GMS: None at this time

GIS: New teachers have requested to get paid for September 20th. We have brought this up every year and every year we have been turned down.

GPS: It was asked if the district has a COVID policy so teachers do not have to use sick days and the Board has approved a COVID leave policy.

SubTeach requires a fee when someone signs up (most likely for the background check) is there a way to get it waived. Mrs. Sweeten will reach out to Mrs. Metz about this

Administration - None at the time

Next PPC Meeting will be Tuesday, November 2, 2021 via Zoom
