24011	<p>PLEASE remove the couch in lounge asap. Received from custodians this evening:</p> <p>Sorry to message you so late but I don't think this can wait. As we was running the floor machine in the lounge we saw a mouse run under the couch so we flipped it over and there was a huge mess under it. There were puddles of rat urine under the couch and apparently he has been living inside the couch for a while. It smells awful and it looks even more gross. You may want to get maintenance to dispose of it if you don't want to keep it. As of now the mouse has not ran out of the couch. We think he moved up to the cushions. We will keep searching for him and his family. I have more pictures if you need or want them. We called Jo and told her and putan out of order sign on it.</p>	11/11/2021	Victoria Groomer	Lemke, Jonathan	Gentry Primary School
