Observed

Student Expulsion Hearing- Student #403006796

Ms. Metz noted this student had been recommended for expulsion early in the 1st 9wks of school. The Board tabled the vote, giving the student a list of clear expectations to complete by the end of the 1st semester. He was to bring his grades up to passing and have no more disciplinary issues. He made no effort at all toward the Board’s written expectations. Multiple meetings with the student and parent proved fruitless and he was given an additional grace period to turn in work first semester.

Ms. Metz noted that the student would be offered services if expelled and still had an opportunity to complete his education remotely.

Gary Dunlap moved to uphold the original recommendation for expulsion for the remainder of the school year. The student will be eligible to return for the fall semester, in August 2022. Randall Bolinger seconded, and the vote carried 6-0.

Adjourn

Randall Bolinger moved to adjourn at 6:02 pm and Gary Dunlap seconded. The vote carried 6-0.
