

The background of the slide is a light gray color, decorated with a pattern of snowflakes and stars. The snowflakes are in various shades of blue and white, and the stars are bright white with a soft glow. The overall effect is a clean, winter-themed aesthetic.

Mid-Year School Improvement Plan and Student Achievement Update

February 28, 2022

Gentry School District School Improvement Plans Update

After a comprehensive review of multiple data points at the district level and at each building, the committees determined that there is no need for changes to the District, GHS, and GIS building improvement plans at this time.

Gentry Primary School made the following change:

1. Increased the reading goal to the 65th percentile

Gentry Middle School made the following changes:

1. Paused Pioneer Time due to scheduling conflicts
2. Noted the actions that are currently in progress

Gentry Primary School
