

22-23 Proposed Calendar Survey Results

I have reviewed the calendar developed by the Gentry Personnel Policy Committee and submit my vote for this calendar.

I think you should change the two days of parent teacher conferences to one day and make it 2-8 pm. I also do not like the PLC requirements at the beginning of the school year.

Have first 3 days of PLC on the 8th, 9th and 10th of August.

yes

I would like P/T Conferences to be one day each time from 2-8 pm.

Parent Teacher Conference should not be in the middle of the week, September 27 and 28. For that whole week the students will not be able learn because of a 2 day gap mid-week.

What about the times for conferences in September? If you leave the times as they are , how can you still teach school ? That was the only issue I saw with the calendar, thanks
