

CPPC 5/23/23 MEETING

9:06 Meeting called to order by Doc

Attended Doc Savage-Maintenance
Clyde Backer-Transportation
Mary Bailey-At Large
Amanda Walters-Food Service
Emily Hodges-Secretary/Bookkeeper

Old business

- ❖ Per Mary Bailey's recommendation for a stipend for para's for their work on the DSCTop program. *Doc has met with Regina on what exactly the Para's enter for Mary to send on to the State. By doing this it brings in a lot of money for the SPED Dept. They are required to have 40hrs training between on the computer and at the COOP. This currently affects 10 people. The 10 are one on one personal care para's. The charting they do happens during their lunch or after school because they are with that student all day. Title could be changed to Personal Care SPED Para. Could a different starting wage/step be considered for this versus a regular para? If starting wage/step remains the same then consider a stipend for the entry in DSCTop? Doc will get the final details and type up a proposal for us to look at prior to taking it to Ms DePaola. ****Tabled till next school year**
- ❖ Per Victoria Groomer's recommendation for changing the \$1000 stipend title from Associate's Degree in related field to Associate's Degree or equivalent college hours (60) or Vocational/Technical Certification in related field, Ms DePaola was open to this suggestion. *Doc is going to follow up with Ms DePaola on this again. ****Tabled till next school year**

New Business

- ❖ CPPC was asked to review the new pay schedule for school year 23-24. The committee looked over it and approved it as it was submitted. This approval was done by email. *Please see attached
- ❖ CPPC was asked to review new personnel policies. We have all been given a copy and will review them by Thursday and get back together to go over these on Thursday 5/25 at 9am. We will meet with Ms DePaola at 1pm on 5/25.
