Classified Salary

New Business:

GHS: Sick and personal days can we take a non-paid day off as an option?
Sometimes they want to take a day off but not take one of their other days.

GMS: none at this time

GIS: none at this time

GPS: none at this time

Administration: none at this time

Notes

Davis: Question will the names and pronouns be asked during enrollment or does the individual teacher ask for that? Or does that come from the office?

Blanchard thinks that will have to come from the office once the information is collected.

Summers: It's my understanding that these policies are at least part of the LEARNS Act and federal law, so why are we looking at these policies since we cannot trump state and federal law? I ask because I have found a piece I don't agree with (either needs to be omitted or other alternative definitions of a "health care provider" need to be included), but is there anything we can do about that?

Blanchard shared that the classified pay will raise by a dollar for everyone.

Next PPC Meeting will be next Fall via zoom.

Meeting adjourned at 3:43.
