September 26, 2022

# Cornerstones: Mission, Vision, Values, and Goals

*The mission of Gentry Public Schools is to work with the Community in providing safe and successful educational experiences for each student.*

The Gentry School Board envisions a school district where...

1. The stakeholders are involved in providing successful educational experiences for all students.
2. Students and staff each maintain high individual achievement. Support for success is provided for all students and staff.
3. The learning environment provided is healthy and safe both physically and emotionally for all students.
4. Learning builds the capacity of students to act on their own to better themselves.
5. Gentry School District is recognized as a leader in maintaining a system of quality educational experiences and high expectations.

11	95	8.17	69	8.17
12	102	11.24	70	6.94

# Implications

1. 18 absences are considered chronic absenteeism.
2. Three grade levels had over half the class considered chronically absent.
3. Two grade levels had over 60% of the class considered chronically absent.
4. All other grade levels were within one average day of being 50% or more chronically absent.
5. 61% of students in grades 7-12 were considered chronically absent and missed **at least 10%** of the school year's instruction.

# Accountability Scores and Ratings

## 2021 ESSA School Index Overview

School	Letter Grade	Weighted Achievement Percentile	Value Added Growth Percentile	School Quality Student Success	Overall ESSA Index	Overall State Average

GHS					67.02	66.48

**This does not reflect the 21-22 school year grades. They had not been published at the time of this meeting. Updates will be provided when the new information is published.**

# District School Improvement Goals

1. Districtwide attendance percentage will increase by 3% by the end of the 22-23 school year. Chronic absenteeism will decrease by 25%.
2. Reading, Science and Math goals were developed with the goal of 90% of students achieving at “Ready” or “Exceeding” levels on the ACT Aspire.
3. Student achievement goals in Reading, Science, and Math will also be successfully completed once 95% of all students achieve at the 65th percentile on the MAP assessment.
4. The College and Career Readiness average for GHSCC students will be achieved when 75% of seniors reach this goal.

All district and school plans can be viewed by the public online at [www.indistar.org](http://www.indistar.org) or by visiting our district website.

## PLC Process

- Refining Common Formative Assessments to ensure alignment with standard expectations
- Increased teacher understanding of detailed components within each standard
- PLC Network: Partnering with Eureka Springs Elementary school - team observations, team evaluation

## Instructional Process:

- Earlier and more targeted intervention: CFAs, dyslexia screening, SIT (Student Intervention Team) process
- More detailed communication with interventionists
- Adjusting pacing guide/unit map to ensure the flow of standards provides logical skill progression: prerequisites, reciprocal relationships, explicit connection
- Action Research: Teacher initiated, Phonics First and Chip Kits

## Students requiring Tier 3 services

- Grade Level Teacher Test Administration
- Additional special education teacher: smaller st:teacher ratio
- Increasing inclusion
- Flex grouping

**How are we addressing needs?**

All students will meet or exceed their yearly MAP growth goal in math.

# How Are We Addressing Needs at GIS?

## Math Supports

- Math Quest Training and Book Study
- District and School Level MCLs
- Direct Reach Teacher and Reach Associate

## ELA Supports

- Benchmark Learning-Reading & Writing
- Read 180 and Imagine Learning-Intervention
- School Level MCL-Andrea Folger (1.5 Days/Week)

## Science Supports

- NWAESC Specialist
- Alignment of science standards to ELA standards

## Inclusion Practices

- All students in resource tested on the MAP 3-5 assessment
- Resource students receive core instruction with grade level teacher

## Small Group Instruction

- Embedded in daily instruction in ELA, math, and science
- Utilized during Pioneer Time and W.I.N. to meet the needs of students

## PLC Process

- Creation and use of Common Formative Assessments to gauge student mastery of essential standards or targets
- Use of CFA data to create intervention groups and reteach opportunities to be utilized during small group instructional time or W.I.N.

# Building Goals

Current Reality: Increase in mental health concerns; Increase in student behavior incidents; Students lack interpersonal skills necessary for college and career readiness

Next Steps: Re-structure Advisory to include SEL curriculum; Soft skill instruction(Pioneer Principles); Hire Career Coach to develop plans post-graduation; Multi-Tier Support System with a system of steps to support classroom discipline and tardies

# ELA/Social Studies Goals

## Current Reality

- MAP data indicates students use informational text more effectively than literature
- Vocabulary skills are improving

## Next Steps:

- Each unit in EVERY content must include literacy support documentation
- READ day on Wednesday during Advisory
- Small groups by reading area deficiency pulled after each MAP test
- Collaborative Team emphasis on learning goals vs. activity

# Math Goals

## Current Reality:

- 9th grade Strength - Expressions
- 9th grade Growth Area - Equations and Inequalities
- 10th grade Strength - Properties of Geometric Shapes
- 10th grade Growth Area - Measurement of Geometric Shapes

## Next Steps:

- Quest training (math pedagogy training) for all math teachers
- Taking Action book study
- Emphasis on common assessments and data to determine how well students learned the material.
- Collaborative Team emphasis on learning goals vs. activity

# Science

## Current Reality:

- 9th to 10th grade students grew more than any other content in the building
- Earth and Space science is consistently the lowest scoring area

## Next Steps:

- Unit planning to include assessments based on learning targets
- Emphasis on common assessments and data to determine how well students learned the material.
- Collaborative Team emphasis on learning goals vs. activity

# Gentry ESOL Department

## Staff

- Megan Oaks, District ESOL Coordinator
  - Rebecca Summers, K-5 ELL Teacher
- Alexander Reyes, 6-12 ELL Teacher, Spanish Interpreter

## ELD Programs

- Imagine Language & Literacy (K-5)
  - English 3D (6-12)

## Equitable Parent Communication

- We have a growing need for effective ways to communicate with our families who speak limited-English.
- The district values family-school relationships and is addressing this need through hiring **parent liaisons** to partner with families.
- We are continuing with the use of **Talking Points** to ensure equitable teacher-family and school-family communication.

# Gentry ESOL Department - Celebrating Bilingual

## Biliteracy

### Arkansas Seal of Biliteracy

- GHS had one student attain the Arkansas Seal of Biliteracy in Spring 2021.
- We are committed to helping more students attain this recognition of being proficient in two or more languages.
