She and Mr. Barrett are working with a Facilities Consultant with the ADE regarding the order of facilities projects. None of the rumors floating around about her making decisions on building dates and locations. Those discussions may begin this summer. She told the board she "would like permission to begin talks on stadium/track renovations, press box and other needs. She noted, "as you know, we need an eighth lane to host competitions for track. Delays in supply chain and processes make it necessary to begin discussions now." The Board agreed by consensus.
