Notes

V made the motion to accept the minutes from last month. The minutes were accepted by the committee.

Robotics stipend is the only item that we need to discuss for this month according to the agenda.

Andrea Folger shared that Forensics and Theatre teachers each received a \$1200 stipend according to the district website. The teachers in these two areas also held practice sessions and attended weekend competitions.

Mr. Blanchard thought that was fair.

Mrs. Summers said that she was thinking of a \$1000 stipend after looking through the list of stipends but hadn't taken into account the weekend commitments.

Mrs. Groomer said maybe we start with \$1000 this year with the idea that next year we would increase the stipend to \$1200.

Mrs. Groomer made a motion for a stipend for a \$1000 Robotics. Andrea seconds the motion. Next PPC Meeting will be Tuesday, January 10, 2022 at 3:30 via Zoom Meeting adjourned at 3:45.
