26226	I have placed colored dots on the two boards I need taken down in the baseball locker room. The first board is the big chalkboard directly on your right if you walk in behind the home football bleachers. The second board is the very large white board on the wall next to the bathroom and showers. I have moved the couch out from in front of it for access. Both of these boards can be thrown away or reused by another facility. If you need me to do anything to help, please let me know. 479-970-672.
