

Gentry School District School Improvement Plans Update

After a comprehensive review of multiple data points at the district level and at each building, the committees determined there is no need for changes to the District or building improvement plans at this time.

Fall to Winter Observed growth	Met or Exceeded Projected Winter Growth Target	2020 Winter Norm Range 135-158 NWEA MAP states 68% student population within range
97% *69% students grew 7+ pts *28% sts grew 1-6 pts	68% <i>Proj. growth assigned 7-15 pts</i>	95% student population within or exceeding range

Kindergarten Literacy Data

Fall to Winter Observed growth	Met or Exceeded Projected Winter Growth Target	2020 Winter Norm Range 139-158 NWEA MAP states 68% student population within range
97% *77% sts grew 7+ pts *20% sts grew 1-6 pts	76% <i>Proj. growth assigned 7-14 pts</i>	87% student population within or exceeding range

Kindergarten Math Data

Fall to Winter Observed growth	Met or Exceeded Projected Winter Growth Target	2020 Winter Norm Range 152-178 NWEA MAP states 68% student population within range
95%	55%	86% student population within or exceeding range

1st grade Literacy Data

Fall to Winter Observed growth	Met or Exceeded Projected Winter Growth Target	2020 Winter Norm Range 158-182 NWEA MAP states 68% student population within range
93%	61%	86% student population within or exceeding range

1st grade Math Data

Fall to Winter Observed growth	Met or Exceeded Projected Winter Growth Target	2020 Winter Norm Range 166-196 NWEA MAP states 68% student population within range
92%	68%	97% student population within or exceeding range

2nd grade 2-5 Literacy Data

***64% have 3rd grade (beg of yr) 189+ RIT score - This is a key RIT score to enter 3rd grade. If 7pts each test session continues, 70% probability of success on ACT Aspire.**

***29% currently score beg of 4th grade or above RIT
*4 sts currently scoring beg 5th grade RIT**

Fall to Winter Observed growth	Met or Exceeded Projected Winter Growth Target	2020 Winter Norm Range 152-178 NWEA MAP states 68% student population within range
80%	60%	92% student population within or exceeding range

2nd grade K-2 Literacy Data

Fall to Winter Observed growth	Met or Exceeded Projected Winter Growth Target	2020 Winter Norm Range 171-197 NWEA MAP states 68% student population within range
94%	70%	99% student population within or exceeding range

2nd grade 2-5 Math Data

***59% have 3rd grade (beg of yr) 188+ RIT score - This is a key RIT score to enter 3rd grade If 7pts each test session continues, 70% probability of success on ACT Aspire.**

***14% currently score 4th grade beg of 4th grade RIT**

Fall to Winter Observed growth	Met or Exceeded Projected Winter Growth Target	2020 Winter Norm Range 158-182 NWEA MAP states 68% student population within range
89%	84%	90% student population within or exceeding range

2nd grade K-2 Math Data

Literacy	Kinder	1st grade	2nd grade
Wtr 2020-21	49%	51%	46%
Wtr 2022-2023	68%	55%	68%
	+19%	+4%	+22%

Math	Kinder	1st grade	2nd grade 2-5
Wtr 2020-2021	57%	50%	43%
Wtr 2022-2023	76%	61%	70%
	+19%	+11%	+27%

Trend Data: Increase in # of students meeting or exceeding growth goals since 2020

Continuing:
PLC Process

- Refining Common Formative Assessments to ensure alignment with standard expectations
- Increased teacher understanding of detailed components within each standard
- PLC Network: Partnering with Eureka Springs Elementary school - team observations, team evaluation

Instructional Process:

- Earlier and more targeted intervention: CFAs, dyslexia screening, SIT (Student Intervention Team) process
- More detailed communication with interventionists
- Adjusting pacing guide/unit map to ensure the flow of standards provides logical skill progression: prerequisites, reciprocal relationships, explicit connection
- Action Research: Teacher initiated, Phonics First and Chip Kits

New

Learning Ladders - Success criteria for all essential standards

Students requiring Tier 3 services

- New zoning schedule for 1 SLE classroom with inclusion
- In process - new schedule for resource teacher to maximize inclusion
- In process - new zoning schedule for 2nd SLE classroom

Result of Kindergarten Action Research: 75% students scoring ready or exceeding in Mrs. Jech's classroom

What are we doing differently?
