SECTION 3: GEPA STATEMENT

Section 427 of the General Education Provisions Act (GEPA) (20 U.S.C. 1228a) requires U.S. Department of Education grantees to describe the steps the grantee will take to ensure equitable access to and participation in the Federally-assisted program by addressing the special needs of students, teachers, and other program beneficiaries. The statute highlights barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age.

Based on local circumstances, a local educational agency (LEA) should determine whether these or other barriers may prevent students, teachers, or other program beneficiaries from such access or participation in the Federally-funded project or activity. There is no minimum word count for a GEPA statement.

Based on local circumstances, identify which barriers may prevent program beneficiaries from such access or participation in the Federally-funded project or activity (multiple selections allowed).
