- ❖ Jason discussed our need to decide how we want to elect a representative to the superintendent interview. Our policy states that we will select a classified member to serve on the committee, but does not provide specifics on the guidelines for the process on how to select our representative. As a committee, we need to decide on how we want to do this.
 - We have 2 options.
 - It can be a person from this committee.
 - Or we can open it up to the staff and put together a questionnaire to gain interest.
 - Pros and cons of each option were discussed. For example, this committee was elected to serve as representatives of the staff. Also, that we could develop a questionnaire, but it would take time to develop, retrieve, and work through information that was received.
 - ❖ The job has been posted but we don't know the dates of the process at this point. A discussion was had among the committee that we do this process quickly so that the person who is elected can be in the selection committee process from the beginning and be able to serve in the best capacity possible.
 - ❖ Shana motioned that we select someone from the committee to fill this role. Alecia seconded. All in favor
 - ❖ Melissa motioned that the committee select Scott McCollum to serve on the Superintendent Interview committee. Mary seconded. All in favor.
 - ❖ Mary let us know that she will send out the link for nominations for the CPPC staff member of the semester soon. She has sent it out once and has had good response already. Please encourage staff to submit.
- 9:18
- ❖ Mary motioned to adjourn the meeting. Alecia seconded. All in favor.
