## Agenda

Old Business

New Business

[Certified Personnel Policies](#)

### **New Business:**

GHS:

- None at this time

GMS:

- None at this time

GIS:

- None at this time
-

GPS:

- Bland added that she had a request that day to discuss a stipend for staff on the Guiding Coalition. This will be a topic added to February's meeting agenda.

Administration:

- None at this time

## Notes

- None of the campuses had any new business requests by the due date for this January meeting.
- Old business: Stipend request for Junior High Assistant Band Director
  - Smartt suggests we have Crouse send out the information collected about assistant band directors in our area. The information has their stipends listed and/or any additional days they receive. The information also includes a list of the current responsibilities of the assistant. Once the information is sent out and the PPC reads over it we will vote in February.
- PPC chose February 6, 2024 as our next regular meeting. Any new business for this meeting will need to be collected and sent to Smartt by January 31. Smartt created calendar invitations for both of those dates.
- 2024-2025 Calendar Creation
  - PPC is required to create the upcoming year's district calendar.
  - CPPC will also send a member to work on the calendar with the PPC.
  - Parent survey went out today which will help determine what families need/want in the school calendar.
  - Staff survey also went out so that we can determine the needs of the staff.
  - January 25, 2024 from 8:00-11:30 will be our Calendar meeting.
  - The 2024-2025 calendar will be presented at the February school board meeting.

- 
- Bland then mentioned that Andrews had a request that day that the PPC discuss a possible stipend for the Guiding Coalition during our meeting. Since this was a late request we will discuss this during our next regular PPC meeting in February.

Meeting adjourned at 4:50 p.m.

Next meeting will be February 6, 2024 at 4:30.
