Schedule

Why do we need schedule changes?

Student Attendance

In our 23-24 student Attendance Barriers survey, the schedule and start time for secondary students were top issues.

Staffing Efficiency

Teacher to student ratio, maximizing class sizes for growth, future construction project funding

Academic and Teaching Load

Teaching load must be no more than 150. Students can receive direct remediation or enrichment.

Changes

01

Lunch

No one eats in the student center, addresses growth

A collection of stationery items on a light gray background. In the center is a white spiral-bound notebook with horizontal lines. The word "Wait!" is written in a large, bold, black font on the notebook's page. To the left, a portion of another spiral notebook is visible, featuring three colorful sticky notes: yellow, light green, and cyan. Above the central notebook, two red rectangular sticky notes are attached to the top edge. To the right, a white square piece of paper is pinned with a red paperclip. In the bottom right corner, there is a stack of overlapping sticky notes in shades of cyan, light green, and blue.
