WO-31556	I have a couple of desks that have been loose for a while now. They weren't really causing a problem, but in the last week, all three desks tops have gotten to where they can slide down to the floor or come off. I'm not sure if this is something you guys can fix, or if I just need new desks.	2/1/2024	ELIZABETH HALL	Bob Hollaway	Gentry Middle School

WO-31550	Desks - 3 of my desks have missing pieces that should be re-attached so that the top doesn't fall onto a students feet. The three are missing the metal collars that hold the top in place.
